The Classical Association

The main aims of the Classical Association are to promote and sustain interest in classical studies, to maintain their rightful position in universities and schools, and to give scholars and teachers opportunities of meeting and discussing their problems. It organizes an annual conference, lasting four or five days, in a university centre, and sponsors twenty-nine branches, most of which hold Greek and Latin Reading Competitions for Schools. Its activities are fully reported in its annual *Proceedings*, issued free to all members.

The present membership of the Association is approximately 4,200. Membership is open both to individuals and to institutions at an annual subscription of 5*s*. (life composition for individual members, £5. 5*s*.). Members may obtain the *Classical Review* and *Classical Quarterly* at reduced prices (*Review*, 37*s*. 6*d*.; *Quarterly* 32*s*. 6*d*.; combined subscription, £3. 7*s*. 6*d*.). *Greece & Rome* may also be obtained through the Association for an annual subscription of 25*s*. Applications for membership and subscriptions for the journals (which should normally be received by 31 January in each year) should be addressed to the Hon. Treasurer, Professor L. A. Moritz, University College, Cardiff.

The Association can also supply copies of the Index to the First Series of the *Classical Review* (price 25*s*. for members, 30*s*. for non-members, post free) and of the last two issues of *The Year's Work in Classical Studies*, covering the years 1939–45 and 1945–7 (price 6*s*. each volume, post free). These publications and details of the various occasional publications of the Association are obtainable from the Hon. Treasurer or from Mr. R. G. Tetstall, University College, Cardiff. Inquiries should be sent to either of the Hon. Secretaries (Professor B. R. Rees, University College, Cardiff, and Mr. T. W. Melluish, Bec School, London, S.W. 17).
